CHEM. SOCIETY HELD MEETING LAST FRIDAY

Initial Meeting Of the Session Largely Attended.

ELECTIONS.

G. S. Whitby, President—Several Elected To Membership in Society.

The first meeting of the McGill Chemical Society for the present session was held in the Chemistry and Mining Building Friday 10th, at 5 o'clock. The business before the Society was the election of officers for the year 1919-1920, and resulted as follows:—

President—G. S. Whitby.
Vice-President—Dr. O. Raass.
Secretary-Treasurer—C. Greaves.

Seven new members—Messrs. C. H. Wright, F. F. Logan, G. M. Fowler, L. bald, L. H. Nichols—were elected to membership in the society.

The address of the evening was given by Dr. R. F. Rutman, who took as his subject, "The Organization of the International Union of Pure and Applied Chemistry."

The formation of an inter-allied chemical society was first discussed at a meeting of the Society of Chemical Industry, held on November 14th, in London. A further long discussion took place at a meeting of the Société de Chimie Industrielle in Paris, and as a result of this latter, it was decided to form a committee of six delegates from each of the Chemical Societies of America, Belgium, England, France and Italy. These met in London, July 14th to 17th, 1919. Dr. Rutman, who with Dr. MacLennan, represented Canada at the meeting of the International Research Council at Brussels, July 22nd, was present by invitation and was asked to represent the American Chemical Society as a delegate.

The proceedings of the Conference were conducted in French. The first business was the framing of the constitution of the new body, which is to be known as "The International Union of Pure and Applied Chemistry." Officers were then elected.

There was a divergence of opinion with regard to bibliography between the English and Americans, on the one hand, and the French and Belgians. The latter party desired elaborate and perfect systems. This was finally thought to be impossible. Abstracts will be made as before, but proofs of these will be sent to every journal of every allied country previous to publication. The French

HOUSE COMMITTEE PROJECT SMOKER

Wrestling, Songs, Eats — and Good Fellowship—All For Nothing on Oct. 21st.

The Union House Committee has announced that it will begin its activities this year by giving a smoker to all the students of the University on Tuesday, Oct. 21st. This announcement will be very welcome to the upper classmen at McGill, who have attended similar functions given by this organization in past years. The Freshmen will know just what they mean after they have been present at the one which is announced.

The Union has always been the leading centre of college activity, and it augurs well for its work this session that it has decided to hold a smoker thus early in the year. This time the House Committee promise to be specially prodigal of jolly entertainment, both because of the greater facility for doing so and the greater demand for it.

The programme for the smoker includes wrestling, in which some outside talent will be seen. Another part of it will consist of musical numbers, songs and selections on the piano. There will also be given very entertaining recitations, humorous and otherwise. And of course to end the evening's pastime there will be cats produced, healths drunk and speeches made.

Furthermore this smoker will suit everyone's financial situation, since

FRESHMAN-SOPHOMORE TRACK MEET

Sophomores Win Event By Score Of 83-32.

MANY SPECTATORS.

W. K. Kennedy Secured Aggregate Honors, With J. D. King Second.

The Freshman-Sophomore meet of Saturday was a huge success as far as numbers of entries and of spectators went. The weather was a little cold, but the contenders did not seem to mind this as much as those looking on.

The events were carried out without a mishap and the meet, which started at 2.15 p.m., was brought to a close by the relay race, which ended at 4.30. The Sophomores proved victorious over the Freshmen by a score of 83-32. The first year entries numbered 43, while 29 men upheld the honor of the second year.

The highest individual score was that of W. K. Kennedy who by winning six first places and one second, piled up a score of 83 points. The next highest honors go to J. D. King, who secured two first and two thirds netting him a total score of 12 points. R. L. Hamilton, by winning two first places made a score of 10 thus coming third on the individual honors list.

The official results of the various events are published below.

A study of the above results will show that the Sophomores won eleven first places, eight second and four third. The Freshmen secured two first places five second and seven third.

JUNIORS WIN

A FAST GAME ON SATURDAY

Red and White Made Good Showing.

SCORE 6-1.

Deciding Point Scored Only During Last Minute Of Play.

Saturday morning McGill played and won her first game of the season when the Juniors played Loyola in the P.Q. F.A. League. The game was a fast one from first to last, and the nature of the play kept the men going hard all the time, as the deciding score was made only in the the last minute of play.

McGill kicked off and Loyola took their first down near centre-field. After a few minutes of play, Loyola punted behind the McGill lines, but the ball was run out. At this point, Jimmy Quinlan made a ten-yard run but in the next play, McGill failed to make her yards, thus losing the ball. Loyola kicked on her first down and followed up well, so that the play was now near her rivals posts. Quinlan again came to the fore and the team gained its yards. Mathewson went through the lines for a substantial gain of ten or twelve yards. Quarter-time saw the ball at three-quarter field near Loyola's posts with McGill on her first down. Score, 0-0.

Starting the second quarter, McGill gained her yards and found herself within five yards of the Westender's goal. Failing to gain on the next play however they lost the ball to Loyola, who picked on their first down and regained the ball at centre-field on a fumble. Wendling of Loyola broke away for a 25 yard gain. Being now close to their opponents line Loyola attempted a kick but it was spoiled by a fumble. They managed to grab the ball for her first down at the quarter-time. Following this, a rather poor kick was made and Loyola again had the play. The latter immediately punted to MacLean, who made a snappy run and brought the ball back on the field, just before the whistle blew for half-time. Loyola got the ball again, and got away for a run of several yards. Score at half time, 0-0.

Loyola kicked off for the second half. McGill failed to make any substantial gain and Loyola got the ball. Meighen kicked the ball in touch. On their next down, Wendling made a spectacular run of 25 yards. He was

UNIVERSITY MEET ENTRY LIST OPEN

Expect Largest Number Of Entries In History Of Sports.

The entry list for the University Meet, to be held next Friday, is now open and entries will be received until six o'clock on Wednesday night. There are two lists upon which men may register their entries; one is at the hall porter's desk in the Union and the other will be found on the wall of the dressing rooms at the stadium.

It is hoped that the entries for the meet will exceed the records of all former years and much is expected from the men. It is practically a foregone conclusion that all of the students who had entries for the Freshman-Sophomore meet will again enter in this meet and, in addition, there will be many entries from other years. Everyone is asked to enter as soon as possible in order to aid the officials of the Track Club and, if possible, they should enter to-day.

There is a current rumour that some of the upper years will endeavour to wrest some of the honors from the Sophomores, so that some interesting developments are expected. The mere fact that a man did not succeed in getting placed last Saturday should not prevent him from turning out again. The track may be used at any time during the week by men who wish to get into condition.

There is a chance to win an "M" by taking part in the meet as they will be awarded to all men who score five points or more. The men to be chosen for the Intercollegiate track championships will also be picked from the showing made at Friday's meet.

OTTAWA vs. McGill TO-DAY

THE SECRECY OF EFFICIENCY

System is the secret of accomplishment. The ability to arrange the everyday routine that every duty will receive proper and adequate attention and that the utmost may be made of every minute, this is the basis upon which many a man has founded his success.

Most of us has to contend with an unfortunate tendency to take things as they come. We lack the cold calculation and foresight which should be expressed in a more or less hard and fast schedule to which we should make our daily activities conform. The result of this laxity is a deplorable inefficiency. At times we find ourselves literally "killing time," and then again after an incredible short interval we awake to find ourselves buried beneath a host of duties the performance of which seems a veritable impossibility. The solution of the whole problem is the adoption of an adequate system. Through lack of a schedule to which we may make our endeavors conform we are merely groping our way.

We are daily confronted with the spectacle of men who possess amazing capabilities, men who accomplish incredible amounts of work and yet do it unostentatiously and apparently leisurely. The fact of the matter is not that they are endowed with any special powers of accomplishment but rather that they are efficient. On the other hand we are in constant association with men who are in a perpetual hurry and who, though their burdens are in nowise abnormal are ever behind in their work.

The university is the training ground for citizenship. What we are at college that, in great measure, will be when we face the world on our own responsibility. It is therefore of supreme importance that we should cultivate now, the habits which make for success and efficiency.

The session has only commenced, but it is far enough advanced for every man to be able to lay down a fairly approximate plan whereby he may be guided in his daily routine. None of us can afford to waste time. First of all of course are our academic duties, but after their performance our obligation by no means ceases. The various undergraduate activities all have to some extent a just claim on our time and effort, but unless we force ourselves to conform to a definite plan or system we cannot hope to satisfactorily accomplish anything.

While the session is quite young let us systematize our efforts and apportion to the various activities which demand our attention the time which their relative importance justifies. Let us be efficient men—men of real accomplishment.

Ogilvie Flour Mills Earnings Decrease—Expect Keen Fight for Foreign Trade.

Profits of the Ogilvie Flour Mills Company for the year ended August 31st, were \$1,622,000 or \$22,000 below the high record made in the previous year. The year's earnings were at the rate of 16.4 per cent. on the capital or 11.3 per cent.

The percentage of profits on turnover was also below that of the previous year, being slightly below 2 per cent., as compared with a little more than 2 per cent. last year. The low percentage of profit was off-set by the very large volume of business turned over during the year.

President Black stated that there would soon be a return to the keen competitive bidding for this business which characterized pre-war days. He also made the interesting statement that our government might find it necessary to assist the mills in retaining their export business in order to provide the dairying and live stock industries with milling by-products.

Altogether the report is unusually interesting. It covers practically the year following the armistice and furnishes evidence that our big milling companies in common with other great basic industries are helping their own in the readjustment period.

The old board of directors were re-elected with Mr. R. R. Dobell taking the place of the late Mr. Geo. E. Drummond.

GAMES PLAYED BY BIG FOUR ON SATURDAY

M.A.A.A. Inflicted Defeat To Hamilton Tigers.

OTTAWA WON.

Played Against Argonauts, Winning In Rough Game By Score of 8 to 1.

The football game between Hamilton Tigers and M.A.A.A. on Saturday resulted in a victory for the latter club. During the first quarter, although the M.A.A.A. had a shade the better of the play, the breaks were all in favor of the Hamilton team. Shortly after play commenced, Finley, one of the Hamilton lineamen intercepted a pass, ran fifty yards through an open field for a touchdown.

In the succeeding periods however, the M.A.A.A. demonstrated their real superiority, and by displaying football of particular high order succeeded in pushing the Tigers to the football fence.

In a review of the individual playing the work of Frank McGill at quarterback, and the catching and punting ability of Jacques at centre half, were undoubtedly the outstanding features. The former possesses all the earmarks of a great quarterback, and perhaps contributed to Saturday's victory more than anyone other man. Jacques at centre-half is a good steady punter, and an absolutely sure catch, altogether a valuable man on the back division.

On the Hamilton team, McKelvey was the individual star, his running and dodging outclassed anything of the kind on either team. The Tigers line, however, proved totally inadequate to cope with M.A.A.A. either on the offence or defence. They appeared to be unable to use whatever weight they possessed and allowed the Montreal line to come through at will.

A great deal of dissatisfaction was expressed, and with some cause, at the refereeing. The referee's interpretation of what constituted a forward pass, left much to be desired. Pete Campbell of Toronto, and "Silver" Quilly of Ottawa were the officials. The line up was as follows:—

Montreal	Hamilton Tigers
Bercovich	flying wing
Barich	left half
Jacques	centre half
J. Oriver	right half
McGill (Capt)	quarter
Foster	centre
Rev. H. S. Lawser	scrim

OTTAWA VS. ARGOS.

Ottawa played the Argonauts for the first time this season, when they met them on their own grounds at Lansdowne Park, before a large crowd that witnessed the first clash of these two teams since 1915. The senators clearly showed their superiority by winning in a clean-cut manner with a score of 8-1. The play proved to be rather rough; in fact, several men engaged in free fights at various times.

The game opened with Argonauts having the wind behind them. In the first period, the play was fairly even. The Argos had the ball near their opponents line several times, but the senators always held well in the pinches. Much rough work was indulged in, and Gilhooley was laid out on an attempted plunge through, but the game was delayed till he was able to resume play. Both teams managed to score one point, leaving the score tied at the end of the period.

The second quarter opened with an exchange of kicks, play keeping well in the centre of the field. For awhile Argos seemed to have quite an edge on their opponents, but towards the end of the period, Gilhooley booted one over the deadline, and a little later, Argos were forced to rouge, leaving the score at half-time, Ottawa 3, Argos 1.

The senators began the third quarter with a rush, and managed to work the ball well down the field, to within 20 yards of the Argos' line. Gilhooley then kicked a field goal, thus counting 3 points. After this reverse, Argos stiffened considerably, and were putting up a good brand of football. Their backs played especially well at this stage, punting and catching in fine style.

The final quarter resulted in two more points being counted for Ottawa, both resulting from kicks behind the line.

For the Senators, Gilhooley, who is a brother of Joe. Gilhooley at McGill, was the outstanding star. His splendid kicking scored all the points that his team made. Baker and Kilt also played well. The Ottawa line was especially strong; in fact their opponents did not once succeed in getting any bucks through it. For the Argonauts, Garrett and Knight played a very good game.

The team lined up as follows:—

Approved on behalf of the Board:

C. R. HOSMER,
H. S. HOLT,

Directors.

To the Shareholders:

We have audited the books of The Ogilvie Flour Mills Company, Limited, at Montreal, Fort William, Winnipeg and Medicine Hat for the year ending 31st August, 1919, and have obtained all the information and explanations we have required; and we certify that in our opinion, the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs according to the best of our information and the explanations given to us and as shown by the books of the Company.

CREAK, CUSHING & HODGSON,

Chartered Accountants.

In his remarks to the Shareholders, Mr. W. A. Black, Vice-President and Managing Director, called attention to the fact that the profits for the year under review were less than those of the previous year by \$322,838.26.

The Capital of the Shareholders invested in the business at the commencement of the year was \$9,926,999.06, so that the profits of \$1,622,516.88 represent 16.4% on the Capital, not including the Bonds. If the Bonds were included as Capital, the percentage earned would be 13.3%. It will be noted from the Balance Sheet that the Shareholders' Invested Capital at the close of the year amounted to \$10,744,516.84.

Mr. Black also stated:

"As a result of the Armistice, there was a material reduction in the volume of business in all Departments. There was also a slight reduction in the percentage of profits on the turnover, which were a little under 2% as against being a little over that figure last year. This must be admitted as being a very small margin and would not make a reasonable return but for the large volume of business.

"The outlook now is for an early return to the sharp competition for export business which existed prior to the war. Duties on flour imports, which were removed in some countries during the war, are being put on again, with the idea of encouraging and stimulating manufacture at home to provide work for their people, and securing the wheat offfals, which are necessary for dairy and general livestock feeding. It is most essential, however, that our own farmers and dairymen be supplied with the necessary feed for their livestock, and the Government may yet find it necessary to take steps to assist the mills in retaining a large export trade in flour if the dairying and stock interest is to continue at least on its present basis."

NOTICES

DAILY STAFF.

There will be a meeting of all the active members of the staff, next Wednesday, Oct. 15th, at 4.00 p.m.

CLUBS AND SOCIETIES.

Henceforth the executives of all clubs and societies should send notices, for publication in the Daily, in writing. The Daily will not assume responsibility for notices taken over the telephone.

INTERFACULTY RUGBY.

The Interfaculty football game between Arts and Law — Science has been postponed from Wednesday, October 15th, to Friday, the 17th, at 11 a.m.

all will be heartily welcome, without even undoing their purse strings.

As regards the wrestling mentioned above some very promising outside talent will doubtless be secured. Whether professional or amateur is still uncertain, there being a great difficulty in fitting in dates. But there are quite a number of men round McGill intimate with these personages and they will arrange all that. It is difficult to be definite and give names—as so many have been mentioned.

Passing onto the songs and musical part of the programme, which will be rendered both by students and professionals, it is not quite definite yet who they will be. But the names of several renowned entertainers have been casually mentioned by the powers that be. It is impossible to disclose their names, as the contracts have not been drawn up yet—again there is a difficulty of arranging because of other engagements. Of the student talent there is a great deal in the University at the present moment—in fact the committee were agreeably surprised when they commenced making arrangements.

At the end of the entertainment cats will be served, and speeches made. The former will be of a most delicious and excellent quality, and a most prodigious quantity; while the speeches will be eloquent, jocular and not too long.

MEETING OF MED. '21.

The following men have been elected as the executive Med. '21:— President—T. M. Jones. Vice-President—J. Dugan. Secretary—W. Henry. Daily Representative—R. A. MacKean. At the meeting attention was drawn to the importance of a large turnout of rooters at the Sophomore-Freshman Track Meet to-day. A. Forrester was elected to be Track Representative.

WEDDING BELLS RING OUT FOR SEVERAL GRADUATES; JUDGE GREENSHIELDS GETS PROMOTION; ONE DIVORCE SUIT PENDING

Brigadier-General M. C. McGannon, Med. '85, Died Suddenly — Rev. D. Bayne, Arts '80, Dead — E. C. Howard Arts '95, Law '98, Promoted to Bench — Dr. H. J. G. Geggie, Med. '11, Taking Up Post-Graduate Work At Glasgow — Lieut. Clyde Auld, Arts '17, Proceeds To Oxford — Charles Raynes, Arts '80, Law '81, Died In Montreal — D.C.M. Awarded To Sergt. J. H. MacFarlane, Arts '17.

Brigadier-General M. C. McGannon, Med. '85, Professor of Surgery in Vanderbilt University, Nashville, Tenn., Surgeon-General for the State of Tennessee, and one of the leading surgeons of the Southern States, died suddenly on October 9 at his residence in Nashville of heart failure.

Born near Johnstown, Ont. 62 years ago, the late Dr. McGannon was educated in Edwardsburg and in 1885, after a classical course at the University of Ottawa, was graduated from McGill with the degree of M.D., C.M., immediately the undergraduate examination at Toronto for license to practice in Ontario. At McGill, Dr. McGannon was a member of a class in the faculty of medicine which produced many leading physicians, not a few of whom won high rank in the late war. Among these might be mentioned Colonel John M. Elder, C.M.G., of Montreal; Col. F. G. Finley, C.B., of the same city, and Col. H. D. Johnson, of Charlottetown, P.E.I.

On receiving license to practice in Ontario, Brigadier-General McGannon settled in Brockville, Ont., where he was later joined by his brother, the late Dr. E. A. McGannon, Med. '81. While there the Doctors McGannon were instrumental in founding St. Vincent de Paul Hospital. After a few years Dr. M. C. McGannon went to New York to become house surgeon in the Women's Hospital, leaving that institution at the end of two years to accept the post of professor of gynaecology at the Post Graduate Medical School in the same city. In 1895 Dr. McGannon went south and became professor of abdominal surgery and the diseases of women in the University of Nashville. At the time of his death, he was chief surgeon at the Woman's Hospital, attending surgeon at Vanderbilt and the Nashville City Hospitals. He was also a member of a large number of medical associations and a Fellow of the American College of Surgeons. Dr. McGannon was conceded to be one of the leading surgeons of the south.

Early last summer he was appointed by the President of the United States Surgeon-General for the state of Tennessee with the rank of Brigadier General as a tribute to his long and meritorious career as a surgeon.

IS SUING FOR DIVORCE

Miss June Elvidge, one of the youngest and one of the prettiest moving picture stars, is being sued for a divorce. Her husband is Lieut. Frank C. Badgley, M.C., Sci. '16 of Ottawa.

The marriage of Miss Elvidge to Lt. Badgley in November, 1918, was one of the romances of the war. Strangely enough, another war hero of Britain's army is now mentioned as the man who has come between the actress and her soldier husband. He is merely called "Jack" in Lieutenant Badgley's complaint, for, apparently, that is the only name by which his brother officer knows him "Jack" or

is said to be a lieutenant in the Canadian army and to have won the Military Cross.

Mrs. Badgley on being served in her husband's suit lost no time in making answer to the allegation of her husband.

It is a vigorous denial that at any time she has been guilty of that conduct attributed to her by Lieutenant Badgley, with either "Jack" or any other man.

Lieutenant Badgley, who is living at 2341 Broadway, New York, refused to discuss his action.

DEATH OF REV. DR. BAYNE

Rev. George D. Bayne, M.A., Ph.D., Arts '80, died at Lang, Sask., a few days ago in his 65th year. He had been in ill health for some time. Rev. Mr. Bayne was ordained 35 years ago to the Presbyterian Ministry and was for 15 years stationed at Ashton and Appleton, Ont., before going west.

Ernest D. McIntosh, Sci. '16, son of Dr. McIntosh, Carleton Place, Ont., was married on October 8th at Hythe, England to Viola St. Clair Atkinson, daughter of the late M. A. Atkinson. Mr. and Mrs. McIntosh expect to return to Canada shortly.

The marriage took place at Christ Church Cathedral, Montreal, on September 1st of Miss Katharine Stanger, daughter of Mr. and Mrs. E. Stanger, to Lieutenant-Colonel W. G. Turner, M.C., Arts '98, Med. '100, son of the late Hon. Richard Turner, Quebec.

Miss Frances Moule, Arts '05, was married at Christ Church Cathedral, B. C., on August 18th to Captain George P. Sharpe, Sci. '05, of Salmon Arm, B. C., who recently returned from overseas. Before going to British Columbia in 1909, Miss Moule was secretary of the Y.W.C.A. in Toronto.

The marriage took place in St. George's Church, Montreal, on Saturday of Miss Elsie Paterson, daughter of Mr. and Mrs. Alex. Paterson, and A. Sydney Dawes, Sci. '10, son of Mrs. J. P. Dawes.

Brigadier-General H. F. McDonald, C.M.G., D.S.O., Sci. '07, is resigning the command of Military District No. 13 with headquarters at Calgary.

William F. Drysdale, Sci. '04, of Paris, was on October 4th married at Albany, N.Y., to Miss Louise Adele Miller, daughter of Mr. and Mrs. Edward S. Miller, of Albany, N.Y. They will reside in Paris.

JUDGE GETS PROMOTION.

Hon. R. A. E. Greenshields, Arts '82, Law '85, Judge of the Superior Court of the province of Quebec, has been appointed a puisne judge of the Court of King's Bench in succession to Hon. Mr. Justice A. G. Cross, Arts '79, Law '81, who died last summer.

Ernest E. Howard, K.C., Arts '95, Law '98, has been appointed a puisne judge of the Superior Court in succession to Hon. Mr. Justice Greenshields.

David Walter Munn, Arts '88, Sci. '07, of Montreal, has been appointed professor of civil engineering in the Royal Military College at Kingston. Mr. Munn was previously professor of mechanical engineering at McGill University College of British Columbia.

Dr. W. Fred Jackson, Med. '73, who returned from overseas some time ago and who has been connected with the Department of Soldiers' Civil Rehabilitation at Kingston, Ont., has resumed practice in Brockville, Ont.

Major W. G. Hanson, M.C., Sci. '11, and Mrs. Child returned to Canada on the S.S. Empress of France. Major Child was overseas first with the Cyclist Corps of the First Canadian division and afterwards accompanied the 51st Battalion across.

The marriage took place at St. Peter's Church, Belzize Square, London, on August 28th of Captain Joseph Alexander Gray, of the Department of Physics, McGill University, to Elizabeth Watson, of Camfield Hall, Derbyshire.

Among those whose names have recently been brought to the notice of the Secretary of State for War for valuable services rendered are: Major Cluny Macpherson, C.M.G., Med. '01, of the Royal Newfoundland Regiment; Captain R. H. Cronyn, Sci. '16, of the Royal Air Force; Captain H. B. Grif, Sci. '14, of the Royal Air Force; Acting Sergt. J. A. Stuart Roussac, Sci. '19, of the Canadian Field Artillery.

After having spent the last seven months at the Ontario Military hospital

Orpington, England, Dr. H. J. G. Geggie, Med. '11, of the C.A.M.C., has been demobilized in England and will take up post-graduate work at Glasgow. He expects to return to his home in Wakefield, Que., soon after the New Year.

W. Dale Harris, a noted civil engineer, who died in Ottawa on September 28th was the father of S. L. Dale Harris, Arts. '03, Sci. '05, now of London, England; of Lieut. Edmund P. Dale Harris, Arts '13, of Royal Field Artillery was a prisoner of war in Germany and will shortly return to Canada.

Major W. W. Francis, Med. '09, of the C.A.M.C., has been selected to accompany General Foster, Chief of the Canadian Medical Services in London, to Rome to represent Canada at the Inter-Allied Conference for Disabled Soldiers, October 12 to 17. Major Francis was for four years attached to No. 3 Canadian General Hospital (McGill) and for the last year has been on the Canadian Pensions Board in London.

PROCEEDS TO OXFORD

Lieut. F. Clyde Auld, Arts '17, who returned to Canada recently after service overseas with No. 10 Canadian Siege Battery, is sailing shortly for England to pursue studies at Oxford.

Lieut. Gordon F. Macnaughton, Arts '10 has returned from overseas and resumed practice in Montreal, as has also Dr. A. M. Strang, Dent. '12, who has been on duty at Sherbrooke, Que., since his return.

Robert N. Hickson, Arts '01 and J. Watson Yule, past student, have formed a new brokerage firm in Montreal with Mr. Yule as the representative on the Montreal Stock Exchange. Both served overseas during the war.

The marriage took place at the residence of Mr. and Mrs. Horace Joyce, 602 Rockland Avenue, Outremont, on September 25th, of their daughter, Eileen, and Dr. Franklin N. K. Falls, Med. '17, who served overseas as medical officer of the 38th Battalion. Dr. and Mrs. Falls will reside in Ottawa.

Gregor Barclay, Arts '06, Law '08, was married at Ottawa on October 2nd, to Miss Gertrude Jean Fleck, of that city. Mr. Barclay commanded the First University Company, P.P.C.L.I.

Lt.-Col. E. J. Williams, Med. '97, formerly officer commanding No. 1 Canadian Stationary Hospital, has entered into practice in Montreal, as has also Lt.-Col. J. Guy W. Johnson, Arts '00, Med. '04, who was five years overseas.

On September 24th, the marriage was solemnized in Montreal by Rev. Dr. W. J. Clark of Beatrice Mary, younger daughter of the late Dr. James Ross, Dundas, Ont., to Charles Stuart Lemesurier, past student, of Montreal. The groom was overseas with the 24th Battalion.

James Bruce Robb, Sci. '12, of Westmount, was married at the Westmount Methodist Church on September 11th, by Rev. T. E. Holling to Catherine Jane daughter of Mr. and Mrs. Galbraith, Westmount.

The death took place in Montreal on October 6th of Charles Raynes, K.C., Arts '80, Law '81.

The citation of the award of the D.C.M. to Sergt. J. H. MacFarlane, Arts '17, of No. 9 Canadian Field Ambulance, is as follows: For conspicuous gallantry and devotion to duty. During the period from 25th February to 15th September, 1918, the work of this N.C.O. has been of the highest order. He has at all times been untiring in the able performance of his duties. On the morning of 8th August, when following the infantry, in spite of heavy artillery fire and gas-shelling, he succeeded in clearing the wounded early, and no doubt by so doing he saved many lives.

H. C. L. IN RUSSIA.

As a result of the persistent issue of paper money by the Bolshevik Government and the progressive depreciation of the currency, the Russian rouble, which before the war was worth fifty-one cents, has to-day little if any international value. The present value of the rouble in Bolshevik Russia is indicated by the fact that in Petrograd at the end of July the prices of the chief foodstuffs were:—

Horse meat (very rare), 100 roubles per lb.; bread, 150 to 180 roubles per lb.; butter, 270 to 300 roubles per lb.; sugar (rare), 250 roubles per lb.; potatoes, 45 roubles per lb.; milk, 30 roubles per bottle; eggs, 20 roubles each.

Why do the Science Freshman Class leave their pets chained to the College Gate to be stared at by outsiders.

Is it a case of "Tie your little dog outside?" Who were the Freshmen who walked past their President without lifting a finger to help? Surely these are decadent times. Perhaps they didn't recognize him in green pyjamas.

Why not instead of a rush, let the Sophomores invite the Freshmen to a Tea Party, and have them bring their razors. Those not using razors could bring their Safety Pins.

S. A. UNIVERSITIES

The South African Universities and the New Zealand Service Rugby team took part in a strenuous game on September 4, the Universities winning by an odd point, with the score at 9 points to 8. New Zealand had the lead at half time by 5 to 3, but forcing the pace the home side reversed matters by brilliant individualism. Strassheim, Van Heerden, and De Kock, the Universities' halfback, participated in a splendid run which resulted in the latter opening the score early in the first half; but the effort was nullified by Kiskick scoring for New Zealand. A. H. Stohr converting.

On the resumption of the game Ford indulged in a great run and got over the Universities' line, but the advantage was not long retained, for Van Heerden, the Stellenbosch three-quarter, credited the Universities with the most brilliant try of the afternoon. Shortly afterward another try to the Universities gave them the lead, which they retained to the end.

Two days later the New Zealanders experienced another defeat, this time by 17 points to 6, at the hands of Western Province. Twenty thousand people attended the match, which had been keenly anticipated. New Zealand opened the scoring with a penalty goal, taken by Hassel, and were three points up. Pienaar, however, after a good

run by Van Heerden, opened the Province score with a try which Gerhard Morkel converted, and the interval came with the score 5 to 3 in favor of the Province XV. The second half opened at a tremendous pace and within a couple of minutes Ford was over for the New Zealanders. Scarcely had the incident passed when Morkel dropped a goal for the Province. After repeated attacks by the South African three, Van Heerden scored, Morkel converting from the touch line, and the success was followed by a final try from Henry Morkel.

FAVORS ALLIES.

The Government of the Argentine has refused German appeals for credits for German purchases in that country, but has extended a credit of \$200,000,000 to Great Britain, France and Italy for a period of two years at 5 1/2 per cent.

AUSTRALIA FAVORS TARIFF.

The United States Consul General at Sydney, Australia, in a report to the Department of Commerce at Washington says that the question of exchange with the United States continues to be a serious barrier against the purchase of American merchandise by Australian merchants. He also reports "a formidable movement to make Australia more of a manufacturing country, also to substantially increase the tariff and the preferential in favor of Great Britain."

VARSITY WINS EASY VICTORY OVER QUEENS

Inter-col. Schedule Opened
With Game at Toronto.

SCORE 41-3.

Queens Unable To Hold the
Blue and White Squad.

The first game of the intercollegiate
rugby season, between Queen's Uni-
versity and Toronto Varsity resulted
in a victory for Varsity, the score be-
ing 41 to 3.

The teams were:—
Queen's—Stewart, flying wing; Mc-
Kelvey, Campbell and Brownfield,
backs; J. Evans, quarter; Aitchison,
Hill and Ferguson, scrumwings; How-
man and Brandon, inside wings; Car-
son and Ellis, middle wings; McIntyre
and Nichol, outside wings; spares, Car-
son, Gibson, McConville and Carson.
Varsity—Holmes, flying wing; Sulli-
van, Curran and Brown, backs; Duncan,
quarter; Montgomery, Weaver and
Hendall, scrumwings; R. Beattie and Eng-
lish, inside wings; R. Ketchum and L.
Hugan, middle wings; R. Box and L.
Cuthbert, outside wings; spares, Wal-
ton, Gault, Murray, Ross, Weaver,
Swanston, Shute, Brown, O'Hanlon,
Gower and Shocholson.

First Quarter
Kicking off Varsity lost the ball for
interference on the first down, Queen's
then pulled off a nice end run, and on
exchange of kicks Brownfield ran the
kick back 30 yards. McKelvey booted
to the dead line for a point. Queen's 1.
Varsity 0.

An offside gave Varsity the ball, and
Carroll booted for a point. Queen's 1.
Varsity 1.

After some loose work on the line
McKelvey booted another dead line.
Queen's 1. Varsity 1.

At this stage Queen's were kicking
at every opportunity, giving the Varsity
backs a lot of work. After an ex-
change and run by Queen's which was
stopped by interference, a nice kick by
Brown left them in possession of the
10 yard line. Queen's 2. Varsity 1.

Second Quarter
A long pass by Brown enabled Sulli-
van to go for a try, which was not
converted. Queen's 2. Varsity 1.
Soon after this Varsity scored three
kicks to the dead line in quick suc-
cession. Queen's 2. Varsity 4.

A fumble followed by an off-side
gave Queen's the ball at centre field,
which was the farthest they were ever
from their own line this quarter. But
an off-side gave Varsity the ball, and
the Queen's line holding, Varsity forced
a rouge. Queen's 2. Varsity 10.

Third Quarter
No goals! Goal-adj!
No yards gave Queen's the ball and
Sullivan was downed for a rouge on
McKelvey's kick. Queen's 3. Varsity
10.

After a dispute among the players
and officials, the ball was given to
Queen's; but Duncan grabbing the ball
after it had been fouled by Carroll went
over for a try which was not converted.
Queen's 3. Varsity 15. This was the
last scoring of the quarter, and Mc-
Kelvey retiring was replaced by Camp-
bell.

Fourth Quarter
Campbell fumbling, Holmes grabbed
the ball, and went over for an easy
try which he converted. Queen's 3.
Varsity 21.

The next point was scored when Car-
roll booted over for a rouge. Just be-
fore this Bill Rose was hurt when he
fumbled into Campbell. Queen's 3.
Varsity 22.

Varsity securing the ball bucked
over for a touch down, which was not
converted. Queen's 3. Varsity 27.

After some fumbling behind the
Queen's line, Holmes forced a rouge.
Queen's 3. Varsity 28.

Varsity soon bucked over for another
try, which was converted. Queen's 3.
Varsity 34.

Immediately afterwards Sullivan
went around the end for another touch-
down, which was also converted.
Queen's 3. Varsity 40.

The game ended when Carroll booted
of dead line.

Final Score: Queen's 3. Varsity
41.

followed by Collins who almost dupli-
cated this performance. Mathewson
brought the latter to the ground and
thereby saved a touch. In tackling
him, he was badly kicked on the head,
but went back into the game. Loyola
fumbled and McGill had the ball. Math-
ewson was injured again, and under
Coach Shaughnessy's orders, was un-
willingly helped off the field. Vanlet
replaced him. Hamilton got the ball
and gained his yards. Right after this,
Loyola managed to get possession and
kicked in touch. McGill punted but
failing to give yards lost the ball to
Loyola who had their first down, twenty-
five yards from McGill's goal-line.

But to raise H—all the
year.

5a—Tune—TAMMANY.

James McGill!
James McGill!
Peacefully he slumbers
there,
Blissful though we're on a
"tear."
James McGill!
James McGill!
He's out rather, well yes,
rather,
James McGill.

5b—

Ottawa,
Ottawa,
Ottawa can go to H—
U. of T. and Queens as
well.
Old McGill,
Old McGill,
Race them, chase them,
Race them, chase them,
Old McGill.

5c—

Ottawa!
Ottawa!
Dullest team we ever saw,
'Gainst a line without a
flaw.
Ottawa,
Ottawa,
Good bye! fare well! ta! ta.
So long
Ottawa.

6—Tune — TAKE ME TO THE LAND OF JAZZ.

Take me to the land of Jazz,
Let me hear the kind of
blues that Memphis had.
I want to step a tune that's
full of ginger and pep,
Pick 'em up and lay 'em
down,
Learn to do the Raz-ma-taz,
Let me give you a warning,
We won't get home until
morning,
Cause everybody's full of
Jazzbo
In the loving land of Jazz.

7—MARY.

Mary, Mary, you're the girl
for me,
Mary, Mary, Paradise I see,
Every time I look into your
roguish eyes,
Shure I can see you're plan-
ning
On some new surprise.
You darlin', Mary, Mary,
Sweetest name I know.

Mary, Mary, fair as flowers
that grow,
Oh, you little Irish daisy,
You're driving me crazy,
Pretty Mary, I love you so.

8—Tune—JA DA.

Ja da, ja da,
Ja da, ja da,
Jada, jada, jing, jing, jing,
That's a funny little bit of
melody;
It's so soothing and appeal-
ing to me,
It goes Ja da, ja da,
Jada, jada, jing, jing, jing.

9—HAIL! ALMA MATER.

Hail! Alma Mater, we sing
to thee praise,
Great our affection; tho'
feeble our lays;
Nestling so peaceful and
calm neath the hill;
Fondly we love thee, our
dear old McGill.

10—COME FILL YOUR GLASSES UP.

Come fill your glasses up
To McGill, McGill, McGill,
Come drink a loving cup
To McGill, McGill, McGill.
We will drink the wine to-
night,
Drink the wine that makes
hearts light,
Come fill your glasses up
To McGill, McGill, McGill.

Come sing a joyous song,
To McGill, McGill, McGill,
Sing as we march along
To McGill, McGill, McGill.
We will rally on the field,
We will make our rivals
yield,
Vic'try shall crown the
shield
To McGill, McGill, McGill.

11—HAIL! THE DEAN.

12—PLAY HARD OTTAWA.

13—
We are, we are, we are the
R.V.C.,
We do, we do, we do just
as we please;
Drink tea, drink tea, drink
tea and come with us,
We don't give a darn for
any young man
Who don't give a darn for
us.

BRING THESE SONGS WITH YOU TO THE GAME

Lean was froed to rouge, Loyola thus
making the first point of the game.
Score, 1-0 for Loyola.

McGill took scrimmage, and on a
quick play, MacLean got the ball and
passed out to Hamilton who made a
15 yard gain. Quinlan followed this
up by another 10 yard gain. For the
next few minutes McGill made fine pro-
gress and ploughed their way up to
their opponents line. Finally, Hamilton
kicked for the college and made a rouge.
Score, 1-1.

Loyola took a scrimmage and lost
the ball on their third down. At this
point MacLean took the ball up for a
ten-yard gain and Quinlan carried it
over for a touchdown. Score, 6-1 for
McGill with seventy seconds to play.
McGill failed to convert, but held their
lead till the whistle blew for the end
of the game.

The team-work was very creditable
right through, although a fault that
was particularly noticeable in the early
part of the game was high tackling
on the part of the Red and White.
The McGill line held hard all the time
and Quinlan, Mathewson and MacLean
showed they could always be depended
on to make their yards. Of the losers,
Wendling and Collins were the pick;
the latter particularly was a very hard
man to bring down once he got started.
Flanagan and Galtley handled the

game to satisfaction of all. The line-
ups were as follows.

McGill (6)	Loyola (1)
Taylor	Flying wing

MEETING MED '23.

At a subsequent meeting held on
the following officers were elected:—
President, F. H. Knight; Vice-Pres-
ident, M. E. Drucker; Secretary, D. S.
McIntosh; Treasurer, A. L. Wilkie; Re-
porter, M. H. Dawson.

At a subsequent meeting held on
Wednesday, October 8th, F. D. Ack-
man was elected track representative
for the year.

and Belgians were also extremely
anxious to produce similar literature
to that of Bellstein, Richter and Lan-
dolt's fables, but even whilst the dis-
cussion was going on, the Germans
published a new volume of Bellstein.
A similar book could not be produced
by the allies in less than five years,
at a cost of \$50,000, as it is very dif-
ficult to procure the type of man
needed for such work.

The majority of delegates were of
the opinion that a particular country
be responsible for a particular sec-
tion of research, and hence it was de-
cided that the U.S.A. would carry on
the necessary work for the establish-
ment of critical tables of physical and
chemical constants. Probably the
work on atomic weight determinations
will be carried on in England. Fur-
ther, the U.S.A. are preparing a book
—"Who's Who," which will be a list
of leading chemists throughout the
allied countries.

The next meeting of the Union is
called for in Rome early in June,
1920. Associated with this meeting
of the delegates forming the Union,
there will be a congress of Chemical

SENIORS ALL PREPARED FOR GAME TO-DAY

Team That Defeated
Argos.

FINAL WORKOUT.

Opportunity For Judging
McGill's Chances in Inter-
collegiate Union.

This afternoon, the McGill seniors
will play their second game of the
season, when they meet the Ottawa
team of the Interprovincial League in
an exhibition match at the Stadium.
This will afford rugby enthusiasts a
good opportunity of judging as to the
progress that the men in the Red and
White have been making since their
engagement with the "Old Boys,"
which took place over a week ago,
and resulted in a win for the latter.

Ottawa undoubtedly possesses one
of the strongest teams in the country,
having gathered an aggregation of
men who are old hands at the game,
and have proved their worth in many
hard-fought battles. So far, they
have not been defeated yet this sea-
son, having won the two games that
they have played, one from M.A.A.A.
and one from Argos. McGill will
have to put forth her very best brand
of rugby if she intends to make a good
showing against a team with such an
excellent record.

The Senators are bringing the
strongest team possible, and will pre-
sent the same line-up that succeeded
in winning from the Argonauts on
Saturday. A large attendance is ex-
pected, especially as to-day is a public
holiday. McGill students should be
out in strength, seeing that all lec-
tures are suspended for the day. The
Rooters' Club will turn out in a body,
and with the help of the G.W.V.A.
band, will undoubtedly help to enliven
the afternoon.

On Saturday afternoon, before the
Freshman-Sophomore sports were
run off, Shaughnessy gave his men a
final workout in preparation for the
game to-day. After the men had been
given some practice in signal work,
the seniors and intermediates were
lined up against each other, and en-
gaged in some good scrimmage play.
The seniors had it pretty well their
own way in the offensive work, but
some of the men seemed to be weak
in defensive play, several being too
eager, thus leaving their positions open
and allowing their opponents to pene-
trate for good gains.

The teams will probably line-up as
follows for to-day's game:—

Ottawa.	McGill.
Emerson	F. Wing
Dayles	Back
Gilhooley	Back
Al. Tubman	Back
McCann	Quarter
Willis	Scrim
Cassels	Scrim
Stocker	Scrim
Gill	Inside Wing
Kilt	Inside Wing
Dewhurst	Middle W.
Baker	Middle W.
Abelson	Outside W.
R. Tubman	Outside W.

Craig	Gilhooley
Murphy	Wallace
Cummings	Allen
B. Tubman	Cope

similar to the International Congress
of Applied Chemistry.

It was further decided that the
Union should include allied countries,
each through the agencies of a na-
tional research committee, or failing
that, through the agency of a chem-
ical association. There being no
such organization in Canada, although
the Canadian Institute of Chemistry
is being now organized, Canada could
not be represented at the conference.
With regards to financial subscriptions
and votes the following table was de-
vised:

Class	Population	Votes	Ann. Fee
A	Less than 5,000,000	1	500 fcs. (\$50)
B	5,000,000—10,000,000	2	1000 fcs.
C	10,000,000—15,000,000	3	1500 fcs.
D	15,000,000—20,000,000	4	2000 fcs.
E	20,000,000—30,000,000	5	2500 fcs.
F	More than 30,000,000	6	3000 fcs.

Most of the delegates to the above
conference met again at Brussels, at
the meeting of the International Re-
search Council, at which 216 delegates
were present. This meeting was
opened by the King of Belgium, and
was largely engaged in the discussion,
modification and final adoption of the
statutes of the new International
Union of Pure and Applied Chemistry.
The election of officers as made in
London was confirmed, and the Inter-
national Union became officially the
chemical section of the International
Research committee. The next meet-
ing of the Research Committee will
take place three years hence, mean-
time the committee will use all its in-
fluence to aid the International Union.
After a brief discussion the new pre-
sident moved a vote of thanks to the
speaker and adjourned the meeting.

BELGIAN WAGE CONDITIONS.

Despite the general increase in
wages in Europe, payment to indus-
trial workers is still much below the
standards on this continent, and the
hours of work are considerably longer.
The United States Trade Commis-
sioner at Brussels, Belgium, has sent
to the Department of Commerce at
Washington a report on wages and
hours of work containing details
which the Commissioner says may be
regarded as representative of general
wage conditions in Belgium. It
shows blacksmiths, machinists, etc.,
employed by the community in recon-
struction work, receiving from 19 to
24 cents per hour for an eight-hour
day, while mechanics employed in tex-
tile factories are paid from 18 to 22
cents per hour. Chief machinists get
